

Please answer all questions with complete sentences and in any color except black.
PROOFREAD YOUR ANSWERS BEFORE YOU TURN IT INTO GOOGLE CLASSROOM.

1. What is the genre and what does it mean?

VOCABULARY	DEFINITION	PAGE NUMBER
LICE		
LOUSE		
MOTTLED		
RASH		
TUBERCULOSIS		
TYPHUS		

2. On page 2 and 3 there is a dialog between Grandfather Wolf and Lean Bear. Why do you think the author choose to not include who said what portion of the dialog? Does this fact that it is left out make it confusing for you to understand who is talking? What does the author do to make it easier to let your know who is talking?

3. Where does young Wolf live?

4. What do the settlers following Red Hair bring?

5. Why does Antelope die?

6. Why does Wolf burn his family's belongings?

7. How many Native Americans remained by the late 1880s?

8. The author describes how Old Bark told Wolf to “remember the little things.” Do you think this is the theme of the story? Why or why not?
